John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Home Schooling for Dummies, Jennifer Kaufeld, If you believe that a good education is the greatest gift you can give your child, you're probably pretty unhappy with what's being taught in most classrooms these days. If you think that education should do more than just train kids to take standardized tests, that it should build their critical thinking skills, enable them to weigh ethical considerations, instill a passion for learning, and reflect your core values and beliefs, then you're probably fed up with the current state of our schools. If, like many parents, you're wondering whether homeschooling can be the solution you're looking for, then you'll be happy to know that the answer is yes - and "Home Schooling For Dummies" shows you how. This friendly, well-informed guide is a valuable resource for parents considering homeschooling, as well as veteran homeschooler interested in fresh homeschooling ideas. It gets you on track with what you need to know to confidently: determine whether homeschooling is right for you and your family; get started in homeschooling; obtain teaching materials; develop a curriculum that reflects your values and beliefs; comply with all legal requirements; find healthy social outlets for your kids; and, join a homeschooling cooperative. From textbooks to computers to state compliance, expert Jennifer Kaufeld, covers all the bases. She anticipates most of your questions about homeschooling and answers them with clear, easy-to-follow answers enlivened by real-life accounts by parents around the nation who have opted to homeschool their children. Topics covered include: deciding at what age to begin; determining your kid's learning style and teaching to it; teaching special needs children; developing a curriculum that's right for your children; finding social outlets for you homeschoilers; complying with state and federal regulations;...
