## British and African Literature in Transnational Context (Hardback)

By Simon Lewis

University Press of Florida, United States, 2011. Hardback. Book Condition: New. 232 x 156 mm. Language: English . Brand New Book. A highly original work, provocatively argued and presented. Not only does it offer fresh insights into African and British literature by reading them against the grain, it also provides new ways for cultural scholars in all geographical specialties to think about the ways in which empire and colony have impacted upon one another, historically, and how they continue to impact in the postimperial and postcolonial age. -- Laura Chrisman, University of Washington African identities have been written and rewritten in both British and African literature for decades. These revisions have opened up new formulations of what it really means to be British or African. By comparing texts by authors from African and British backgrounds across a wide variety of political orientations, Simon Lewis analyzes the deeper relationships between colonizer and colonized. He brings issues of race, gender, class, and sexuality into the analysis, providing new ways for cultural scholars to think about how empire and colony have impacted one another from the late eighteenth century through the decades following World War II. In his comparisons, Lewis focuses on commonalities rather than differences. By...
