Every story has a beginning and an end except life. It is a story in progress, the author begins. This fifth volume concludes the discussion about the truth of life that people live in; the life the author calls accelerating life. To fully benefit from this book, readers must read the authors first four volumes, *The Story behind the Accelerating Life*, *The Story behind the Current Revolutions*, *The Story behind Our Behavior* and *The Story behind Life System*. Like his previous books, *The Story Behind Life Unveiled* documents a dialogue between the Professor and his student Ace, which takes place in the authors dreams. The important information from these occasional meetings provides a class of people the key for successful gradation and safe awakening from our current state. When we die, we go back to the real life, yet to do this, we must graduate first, the author adds. As a fitting end to the series, *The Story Behind Life Unveiled* contains important lessons and revelations that attempts to answer questions about life and all its mystery.
