The Incas: New Perspectives

By Gordon F. McEwan

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, The Incas: New Perspectives, Gordon F. McEwan, Defying many of the supposed rules of civilization building and lacking the advantages of a written language, hard metals, the wheel, or draft animals, the Incas forged one of the greatest imperial states in history. In recent years, researchers have employed new tools to get to the heart of this mysterious culture. Drawing on archaeology, anthropology, and ethnohistory, The Incas provides the most up-to-date interpretations of the culture, religion, politics, economics, and daily life available. Readers will learn how the Incas discovered medicines still in use and kept records using knotted cords; how they created masterful highways and stone bridges; and how the inhabitants of seemingly unfarmable lands came to give the world potatoes, beans, corn, squashes, tomatoes, avocados, peanuts, and peppers.

Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me).

-- **Ernest Bergnaum**

This ebook may be worth purchasing. it absolutely was writtern extremely completely and useful. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for relating to when you ask me).
