Reviews

Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Misapplied and poorly managed entitlement programs have destroyed our cities and rendered affordable housing unsafe. Such is the plight of the American Middle. We are hardworking, self-reliant and prepared to stand our ground-on our own two feet! We are not part of the extreme political left or right. We are simply straight up Americans, the backbone of this nation and the majority of the voting population. We still fly the flag and we know to cross our hearts when the National Anthem is played. The current tax system is a mess; it should not take the use of accountants and attorneys to pay Uncle Sam his due. Only our spending should be taxed, not our earnings and savings. The less we spend, the less we pay and only necessities such as groceries should be exempt. Herman Cain s 9-9-9 plan sounds pretty good to most of us-it s simplistic and fair to all. .Governing America is a nightmare and more than any one person or body of 535 can understand let alone us. Therefore we try to send only the best to represent us. We depend on you to ensure that the taxes collected through our sweat...
