Brand New Book ***** Print on Demand *****.Excerpt from King Rene s Daughter: A Danish Lyrical Drama This Translation was prepared upwards of two years ago, with the view of being produced on the English Stage. The part of Iolanthe, one of the most exquisite creations of modern poetry, seemed to be peculiarly adapted to the genius of Miss Helen Faucit. It was accepted and studied by that lady, the alterations required by the exigencies of the Stage were made, and the piece was on the point of being produced by her in Dublin last season, when circumstances occasioned its temporary postponement. The recent production of the piece at the Strand Theatre took place with Miss Faucit s permission; and it has afforded the most gratifying proof, that there is no want of either inclination or power in an English audience to appreciate a Drama which owes its effect solely to the simplicity of its structure, the ideal beauty of its central character, and the atmosphere of poetry and old romance by which it is pervaded.
