Hector Crane is a funeral director with no-one to bury. Business is at a standstill, hes on the verge of bankruptcy and his delinquent apprentices are stealing both from him and his dear departed clients. Just when he thinks things cant get any worse he receives a letter from a man whom he thought long dead, who owns half of his business, and who will be knocking on his door very soon looking for answers. Enter Thaddeus Moribund, arriving from God knows where, and who by Hectors reckoning should be at least ninety years old but appears half that. As the weeks progress, Hector can only watch powerless as Thaddeus overturns every aspect of his life in a bid to pull the business through. But theres more to Thaddeus than this, immeasurably more. Thaddeus story unfolds in a series of revelations that span two millennia, beginning in biblical Jerusalem and ending in modern day England. Thaddeus Moribund is on a mission of his own that has nothing to do with Hector Crane but which will nonetheless challenge Hectors patience, his strength, his concept of good and evil and finally his sanity as the connection between them is ultimately revealed. Am I right in thinking that. . . you actually intend to eat him This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
