Brand New Book ***** Print on Demand *****.Excerpt from **The Church and the Social Problem: A Study in Applied Christianity** This volume is written with the conviction that the Christian Church of the twentieth century faces a crisis of the utmost importance; and that it can only meet the needs of the age by adapting its teaching and methods of work to the peculiar conditions of our times. This fact has been often pointed out during the past few years by men of masterly power, but it must be confessed that few of the workers in the Church have heard the call and earnestly assumed the task of applying Christian principles to the social problems of our modern life. Many pulpits seem stereotyped in thought and utterance, and many Churches cemented in the forms of their activity. While this condition pertains, there is a demand for the multiplication of literature on Christian Ethics, and the application of the Gospel to society.
