*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Abingdon Press, United States, 2014. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. The first two times Jesus says I am, no predicate nominative follows. Remember seventh-grade English class: a predicative nominative is a noun that follows a linking verb. The first time, he says I Am the one who speaks with you to the woman at the well. The second time, he says I Am. Don t be afraid to the disciples. In both cases the words stands alone: I AM. These statements are declarations of God s very being, and they appear several more times over the course of the Gospel. A broader statement cannot be made. I AM is as close as language can get to universality and eternity. One of the markers of this revelation is a second kind of I am statement. This second kind takes a piece of the great I AM and fills in the blank that our sense of curiosity wills to be there. When Jesus says, I am the bread/light/shepherd/vine/ , he is comparing himself to those things. In these I am statements, Jesus discloses a piece of his divine identity, enough for us to hear, swallow, and digest over the course of a lifetime. Each session begins with an opening prayer, followed by the text of the day being read aloud. The group will enjoy a 5-7-minute video where Adam shares his thought on the Scripture and its unusual focus. The group will discuss the readings for the day then close with prayer. The new and exciting aspect of this particular Bible study series is the blending of traditional weekly Sunday school with modern, daily-delivered digital content, which will keep readers connected with the material throughout the week. Between the daily communication and the...
