

## Raggedy Ann's Sprightly Cousin: The Forgotten Fantasy Masterpieces of Johnny Gruelle (Hardback)

Filesize: 7.79 MB

### Reviews

*A really wonderful book with perfect and lucid information. I actually have study and i am sure that i am going to gonna read through once more yet again in the future. I am pleased to explain how this is actually the finest ebook we have study inside my personal daily life and might be the finest book for at any time.*

## **RAGGEDY ANN'S SPRIGHTLY COUSIN: THE FORGOTTEN FANTASY MASTERPIECES OF JOHNNY GRUELLE (HARDBACK)**

[DOWNLOAD](#)

Fantagraphics, United States, 2012. Hardback. Book Condition: New. 470 x 378 mm. Language: English . Brand New Book. Gruelle's creation was the winning entry out of 1500 submissions to succeed Little Nemo, which the New York Herald was losing at the time to the rival Hearst papers. With such import, the Herald added a \$2000 prize, a long contract, and arguably the most care devoted to the reproduction of any color newspaper comic strip before or since. Yet the wood sprite and his fanciful world have been strangely overlooked, partly because Gruelle created Raggedy Ann immediately after the strip's run, eclipsing not only Mr. Twee Deedle but almost everything else the cartoonist ever did. Mr. Twee Deedle stands as a bizarre time-warp: at a time when most children's literature and kids comic strips were somewhat violent or starkly moralistic (the Brothers Grimm; the Katzenjammer Kids; and even Little Nemo itself, which often depicted nightmares, fears, and dangers), Twee Deedle was sensitive and whimsical. Instead of stark moralizing, it presented gentle lessons. It reads today like a work for the 21st century indeed for all times, all ages. Mr. Twee Deedle is edited and includes an introduction by comics historian Rick Marschall. The volume will present the first year of the forgotten masterpiece and selected episodes from later years, as well as special drawings, promotional material, and related artwork.
