Only when they met in person did they discover the horrible truth: Kevin was a rabbit, while Kell was a wolf! And wolves eat rabbits! But in this case love is stronger than instinct, and not only did love bloom but it led to marriage. Add Kevin's adopted hedgehog daughter Lindesfarne, Kell's angst-ridden son Rudy, and their infant Coney (a carnivorous rabbit) and you have the makings of a functional family in a dysfunctional world. Where predation is big business, can the attraction of opposites survive? The Dewclaws' marriage may seem unlikely, but it may be their world's best hope for the future! Since 1995, Bill Holbrook's online comic Kevin & Kell has fascinated and amused thousands of fans with its combination of tech-savvy humor, biting commentary (sometimes literally), and sharply-drawn characterization. Now the world of the Dewclaws comes to life on your tabletop! The Kevin & Kell Role-playing Game from ComStar Media is a complete tabletop RPG that lets you play the Dewclaws, their friends and rivals, or any character from the alien yet strangely familiar world of Domain. Whether stalking prey in...
