*This book will never be straightforward to start on looking at but extremely exciting to read. I actually have read through and that i am sure that i am going to gonna go through once more again in the future. I am happy to explain how this is the very best book i have read through in my individual lifestyle and may be he best publication for at any time.*

Excerpt: .but the area is-so small, that it has more the appearance of a well than the court of an edifice. In this building is the assembly-room, sixty-five feet by twenty-five, handsomely fitted up; but the music-gallery at one end is a mere over-grown shelf; the common blunder in nine assembly-rooms out of ten. The card room is preposterous; a narrow flip of about eleven feet wide; so that Lilliputian card tables must be made on purpose for the room, or no passage re-, main around them for spectators. From the cupola on the top of the building is a very fine view of the town. The The new church, dedicated to St. Paul, is a building that does credit to the town: It stands in the centre of a square, so that you may view it to much better advantage than its namesake at London; but though handsome in several respects, yet will it by no means stand lo v eli the test?f examination. The cupola is by no means striking; it does not rife in a bold stile; its being ribbed into an octogon is disadvantageous; nor is there simplicity enough in the lantern. There is a great heaviness in the breadth of the space between the capitals of the pillars and the cornice. Within there is a central circular area of forty feet diameter, inclosed by pillars of the Ionic order: There is much lightness, and a simple elegance in it-that is...
