Book Condition: New. Publisher/Verlag: HarperCollins UK | Laurel Sewell, ein 15-jähriges, eher sonderbares Mädchen, lebt zusammen mit ihren Adoptiveltern in Crescent City. Als sie eines Tages zwischen ihren Schulterblättern eine stetig wachsende Beule entdeckt, denkt sie erschrocken an einen Tumor. Doch dann entspringen der Beule zauberhafte Flügel. Erst als sie im Wald dem überirdisch schönen jungen Mann Tamani begegnet, erfährt sie ihre wahre Identität: Sie ist eine Fee. Eine Nachricht, die Laurel erstmal verdauen muss. "Wings" ist eine romantische, wie auch spannende Feengeschichte, die im Hier und Jetzt angesiedelt ist. Sie gibt den Auftakt für Pikes Tetralogie. | Laurel was mesmerized, staring at the pale things. They were terrifyingly beautiful-too beautiful for words. Laurel turned to the mirror again, her eyes on the hovering petals that floated beside her head. They looked almost like wings. Laurel's life is the very definition of normal . . . until the morning when she wakes up to discover a flower blooming from her back. As it turns out, nothing in Laurel's life is what it seems. Now, with the help of an alluring faerie sentry who holds the key to her true past, Laurel must race to save her human family from the centuries-old faerie enemies who walk among them. | Format: Paperback | Language/Sprache: english | 245 gr | 320 pp.
