

## Text-Book of Human Physiology, Including Histology and Microscopical Anatomy; With Especial Reference to the Practice of Medicine (Paperback)

By Leonard Landois

Rarebooksclub.com, United States, 2012. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1905 Excerpt: .and twitchings develop in dogs after injection of kreatinin. Cl. Bernard, Traube, Rankc, Astaschewsky, Feltz and Ritter, and others attribute the phenomenon to an accumulation of the neutral potassium-salts; Schottin and Oppler suggest the accumulation of normal or abnormally decomposed extractives, Thudichum that of the oxidation-stages of the urinary pigment. Possibly many substances and their decomposition-products act in conjunction. R. Fleischer found a reduction in the elimination of sulphuric and phosphoric acids in advance of the uremic attack in man. On placing various substances occurring in the urine--kreatinin, kreatin, acid potassium phosphate, uratic sediment from human urine--directly upon the surface of the cerebrum, Landois observed the development of all signs of uremia. There occurred, particularly, fully developed convulsive seizures, with intervals of rest, in dogs, with subsequent coma. Also, many other secondary phenomena of uremic eclampsia could be thus induced. Urea is inactive in this direction....

### Reviews

*A very wonderful book with lucid and perfect answers. It is probably the most incredible book i have study. Its been designed in an exceptionally simple way and is particularly just after i finished reading through this publication by which in fact transformed me, alter the way in my opinion.*

-- Macey Schneider

*This sort of ebook is everything and made me hunting ahead of time and more. I am quite late in start reading this one, but better then never. I found out this publication from my dad and i suggested this publication to discover.*
