The teacher's attitude of reverence or its opposite will infallibly create a corresponding spirit in the child. (2) Jewish: It should never be forgotten that the Bible is the basis of our Jewish religion and life; therefore for us, it is different from all other literatures, classical myths, old legends, or tales from Chaucer and Shakespeare. This difference should be made a fundamental and determining feature of the treatment of the Bible stories. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
