The last thing Nell Forrest expected when she tried to plant a tree was to unearth the skeletal remains of a former resident. Now her new backyard is swarming with police, there's a television news crew camped next door, and once again she is smack in the middle of a murder investigation. And the timing is dreadful. Two of Nell's daughters are about to give birth and she is surrounded by new in-laws with agendas of their own. But it soon becomes clear that this time the investigation is personal - so personal that enquiries bring her long-estranged father back into the family fold, and the answers shed some very uncomfortable light about the proclivities of her parents when they were young.
