Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On November 28th, 2014, I officially started my peaceful boycott of that criminal organism, which means the days will be counted from here on out that the organism people refer to as God has blocked funds to starving children, crucial information that could inform people about the afterlife in a scientific way, and vital knowledge regarding why it s possible to directly connect with our deceased families in Heaven by building a low-voltage electrical circuit similar to the nervous system. This is a peaceful protest against the aforementioned crimes by that murderous organism. We can all take part in boycotting an organism responsible for countless crimes against humanity through religion. I, Ryan Gregory Thomas, shall pledge to boycott God, eschewing all religious activities, until the following beneficial solutions to a plethora of world problems have been undeniably achieved. This endeavor is solemnly done out of a sense of desperate urgency and is a complete necessity in order to fully ensure the success, health, and happiness of every individual whom inhabits any city, state, nation, or territory found here on our wonderful planet earth. The proceeding solutions have been chosen carefully and deliberately, exhibiting a conscientious effort to reduce poverty and the ignorance upon which financial instability is predicated, doing so by suggesting a number of promising ideas, not least of all the guarantee of a free education (and even mandatory in impoverished areas) for all world citizens, ensured up to a tertiary level.
