CPR/AED for the Professional Rescuers and Health Care Providers: Handbook

Handbook

f

Reviews

Published by the American Red Cross, this handbook is a valuable resource for professional rescuers and health care providers. It provides a comprehensive overview of CPR and AED techniques, and includes a variety of illustrations and diagrams to aid in learning. The handbook is written in a clear, concise, and easy-to-understand style, and is suitable for use by both students and professionals. It is a must-have for anyone involved in emergency resuscitation.

Author: B. J. B. A. D.
