BOOK THUG, United States, 2016. Paperback. Book Condition: New. 251 x 175 mm. Language: English . Brand New Book. I am sitting outside at dawn on Otty Lake, where I live, in the woods. The light is coming over the trees, and each morning the poem is written as if right while it is being read. A rough immediacy. Gap Hum. Caesura. Syllables as musical notes. The lyric weaving of honesty about the self--toward revelation transformation. My poetics has widened, here, to include more space, more primitive sounds and glyphs, less metaphor, less anecdote, more tangential conjugating. My poetics, in its growing inclusiveness, is not sad but hopeful. The term conjugation refers to more than the obvious grammatical movement of pronouns through time (I am / you are / they will be). For, in Biology, it also refers to the transfer of information between cells. And Conjugation--the new collection of poetry from Governor General s Literary Award- and Trillium Book Award-winning poet Phil Hall--sees an open realm where individual letters inside a word are each rolling through their possibilities, from A to Z. Thereby, the language in this, Hall s eighteenth book of poetry, and the fourth to be published by BookThug, travels into and out of itself, as he says, escaping my ego, while revealing, word by slightly different word, my deeper connections and disconnections to things--to what used to be called poetry s subjects. Replete with images of the natural world and in some cases, the mechanisms that transform it--horses, leaping fish, trees, canals and locks--Hall has created in Conjugation at once a return to the nature/nurture elements that have wound their way through his earlier collections, but also a versed ode to the discouragement that many Canadians have felt about the progression of their country and government...
